Dr. Harry H. Dresser

Dr. Dresser came to Gould Academy in the fall of 1979 as the Director of Studies and teacher of Mathematics and Navigation. He lives on the Gould campus with his wife, Elaine, and their two children, Erika and Derek. His many interests include flying and sailing, two activities in which he can use his navigation training and experience, and contract bridge. Dresser's appointment as Assistant Headmaster takes effect immediately at Gould Academy.

S. A. D. #44 BOARD TO MEET MONDAY AT TELSTAR

The board of directors of M. S. A. D. #44 will hold a regular meeting in the Telstar Library next Monday evening, April 7, at 8 o'clock. The later starting time is necessitated by a hearing on the NOVA budget scheduled for 7 o'clock the same evening in the Telstar lecture hall.

At their meeting the S. A. D. #44 directors will act on an agenda asking the acceptance of a teacher transfer from Crescent Park School to the Telstar Middle School for the 1980-81 year. Also included in the evening's business will be requested action on the following: use of S. A. D. #44 buses for transportation of District fourth graders to the Shrine Circus; a transportation contract with the Region 9 Cooperative Board (NOVA); lease agreement with NOVA for use of the R. C. Foster

School, Newry; warrant articles for May 5 District meeting.

The directors will discuss the vocational program offered students in grades 11 and 12 through NOVA, with the S. A. D. #44 representatives to the Region 9 Cooperative Board, Marie Wilson and Sandra Cohen.

There will also be discussion of the board of directors' goal-setting and subsequent objectives required to meet those goals.

South Woodstock —

Olive Davis, Corres.

Mr. and Mrs. Richard Wing were celebrated a 25th wedding anniversary party by their children, Mr. and Mrs. Ricky Wing, Mr. and Mrs. Ozzie Hart and relatives at the Legion Hall in West Paris March 22. A good lot of friends greeted the couple. Refreshments were served during the evening. Everyone wishes them a long and happy married life together.

Olive Davis was in Bridgton Sunday at Mr. and Mrs. Arthur Andrews'. They called on Mrs. Sharon Hooven in her new home during the day.

Craig Moore, son of Mr. and Mrs. Gordon Dillingham is a surgical patient at the Central Maine Medical Center at Lewiston.

Lonnie Hadley has returned home from Florida where he spent the winter with his brother and family, Mr. and Mrs. Dale Hadley.

Mrs. Mae Kenney called on Mr. and Mrs. Gordon Dillingham, Sunday morning.

Mr. and Mrs. Gordon Dillingham and children, Perian and Craig, and Mr. and Mrs. Douglas Dillingham of Guilford, Miss., attended a birthday party for Nelson Dillingham Sunday evening in West Sumner.

The red wing blackbird appeared at my feeder this week. The tree sparrow is here also. Although he is a winter bird, I haven't seen them around until now, this winter.

I guess this is going to be a poor sap year. Reports are that it hasn't run well yet and unless we get a heavy freeze, syrup eaters will be out of luck.

East Stoneham —

Gladys Kilgore, Corres.

Mr. and Mrs. Arthur Gouin and daughter Leslie and friend, visited Helen Grover and attended church with her.

Mrs. Sharon Nelson was hostess to a baby shower Saturday afternoon at her trailer home for Mrs. Abigail Irish of Boston. Mrs. Irish is the daughter of Eleanor and Albert Nelson.

The Daughters of Veterans met Wednesday night with 17 present. Mrs. Mary Jones of Minot joined with us. The charter was draped in memory of Lena McAllister.

Mrs. Sarah Grover and Mrs. Phyllis Millett went to Lewiston shopping Monday.

Winfield Adams has been doing some work for Betty Stearns this past week.

Mrs. Sharon McAllister and her mother, Edith Holt, took Agnes Files to Lewiston Wednesday.

Mrs. Edith Hathaway and Ruth Dunham of Bryant Pond visited Helen Grover Monday afternoon.

Mrs. Jan Bell and Mrs. Nurmi visited their aunt, Violet Doughty and husband, Monday.

The Deconates met at the home of Helen Grover Tuesday evening. Mrs. Fran Hamilton took Agnes Files to Lewiston Monday.

Several from here attended the supper at North Lovell Saturday night put on by the Grange.

CARD OF THANKS

I would like to thank each one of my friends who remembered me with cards and gifts, also phone calls while I was in the hospital. It was so wonderful to hear from you all. It gives one the greatest lift.

It is a beautiful evening. Just watched the old moon poke its head up over the mountain and peak in my kitchen window.

Callers at the home of Albert and Edna McAllister this last week have been Vivian McAllister, and Mr. and Mrs. Rodney McAllister. Rodney White had Sunday dinner with his grandparents.

Sylvia and Steve Hoey and Dick and I have been recent callers at the home of Hugh and Edith Stearns.

Don and Joan Leino called on Margaret and Franklin Barton one day last week.

Doris Fraser and Edna York had dinner with Albert Wardwell one day this last week.

Monday evening March 24 the Albany Church Women's Circle Workshop met at the home of Alice Wardwell. A short business meeting was held with election of officers: president, Alice Wardwell; vice president, Edith Stearns; secretary-treasurer, Jean Reynolds.

Members attending were Barbara Inman, Terri Howard, Libby Scribner, Edith Labbie, Kathy Bennett, Alice Wardwell and Jean Reynolds. All members have been busy making plans for the church sale this summer. More details about the next workshop will be in this column later this month.

K-D's Acres is becoming a little more active as the weather improves.

I entertained a group of friends at a housewares party on Tuesday. We had a great time.

Callers last week were Gus and Polly McAllister, Margaret Barton, Franklin Barton and Jeff Barton.

Dick and I, Andy and Cathy Inman, Mike and June Swan, and Terri and Frank Howard attended the Shrine Club dance at Locke Mills on Saturday night.

Safety Tip of the Week: Safety First! A roof can be a dangerous place to work if it is wet or windy. Make sure ladders are securely placed before climbing onto the roof. Never step on or hold onto the gutters for support.

When working on a steep roof, lay a ladder across the roof and anchor it to the ridge for better footing.

Walk on the roof in a crouched position, for better balance. Wear soft-soled shoes for sure footing.

DIXFIELD SENIOR CITIZENS TO ENTERTAIN AT BETHEL MEETING

The Bethel Senior Citizens will enjoy luncheon and a regular meeting at the West Parish Congregational Church on Wednesday, April 9. The birthday cake will be furnished by Elsie Inman, Eva Lane, Mr. and Mrs. Clarence Waterhouse and Alice Kimball. The afternoon program will feature a variety show, including music, skits, and readings by a group from the Dixfield Senior Citizens.

BETHEL WATER Annual Report

This report of activities in 1979 is for the information of our customers and for the Town of Bethel. The Bethel Water District was chartered by the State Legislature in 1979 to supply water to 396 residential and commercial customers. It operates under the supervision of the Public Utilities Department of Human Services.

GOALS, OBJECTIVES AND PRIORITIES

Guiding the District's operations are the following objectives:

1. To provide the highest quality water at the lowest cost to the customer consistent with the State of Maine.

2. To provide Fire Protection by supply at adequate pressure is available to the District.

3. To provide 24 hour service to emergency calls such as serious discharges of water. To provide, during normal service in connection with contractors, also to assist in answering questions concerning the supply of potable water.

4. To operate the Bethel Water District in a responsible manner according to the Commission and those financial institutions and operating capital to the District.

1979 ACTIVITIES FOR ACHIEVING OBJECTIVES

After experiencing extensive and freeze-ups during February 1979, which service, the District implemented an annual cycle of identifying potential freeze-ups, minimum flow devices or allowing water. We were able to monitor water levels this year which gave us an added potential freeze-ups. These readings are a weekly basis in the Citizen for the year. The increased circulation of water and streets, has worked very well and affords a fresher water to our customers. Water quality measures which have been included the following:

Chlorine dosage has been carefully monitored. The "Chlorine taste and odor" problems this step, the water flow is monitored so reducing discoloration can be taken care of. It is difficult, however, because of the change in water shed.

The reservoir has been cleaned of debris annually or as needed. In conjunction with screens are checked and cleaned regularly. During this year, we resumed full Village System. This was accomplished by Robert Saunders who designed and constructed instruments to meet State acceptance.

Water District personnel continue to work on water regulations and methods of State requirements and new equipment. Two licensed employees, as well as a Fire protection activities saw the results at the head of Main and Church streets. The District has budgeted for annual hydrant tests so that inefficient or old hydrants are replaced. Our hydrant maintenance program including, snow removal, painting and inspection.

FINANCIAL SITUATION

A significant rate increase (70%) was past year in order for the District to cover the beginning of 1979, the operating deficit by the end of the year, the operating deficit of \$17,374.88. The District had to borrow term loan from the Casco Bank. Thus, at the District's long term debt is up to \$220,000 paid off at a rate of \$21,201.78 per year. The District has borrowed \$17,500 from the Casco Bank. This amount was required to maintain expenses which could not be obtained from customer billings. Yet, with the increase, lowered operating costs and an preventive maintenance plus very modest capital equipment (mostly water mains and gates) is projected to show a balanced budget for 1980.

IS AN INDEPENDENT WATER DISTRICT. The Trustees have continued this policy. The District on the assumption that the most follow is to first achieve and then to maintain a healthy, separate water district for the Town of Bethel.

Two principal reasons for this conclusion are: This District is required to finance its operations by long term borrowing (up to 40 years) in a financial situation in early 1979 was so bad that it would lend additional money to the District. Increase was an absolute necessity for the future. But, if the Town of Bethel should, at any time, be required to take over the District debt, the additional debt in municipal accounts would lower the town's ability to borrow money.

From the consumer point of view, a separate water district has definite advantages as part of a town government. It is lumped into all other requirements facing the town. Priority given to water district operation is not given to provide the qualified personnel to maintain equipment and capital plant needed to produce dependable, healthy supply of water. A separate water district, one which is able to provide good drinking water, can be a separate and supported save money for taxpayers in the long run.

MEASURES TO REDUCE FINANCIAL LOSS

The District has challenged the legal authority of the real estate owned by the town which is watershed land connected by the District reservoir in Bethel. This case was solved at the time the Maine Legislature passed the Water District in 1967 from the former town of Bethel.

The Trustees believe that relief from taxes achieving a low annual operating and maintenance cost should not continue until the situation is resolved.

Meters are the means used to determine each customer uses and should therefore be installed. For years, the water district has been installing meters. The cost of installing, reading and maintaining only show how much water is used but they do not compute sewer charges. In a manner of speaking, a fair share division of water costs has been made so that the water district from the sewer department incomes that pay for services provided from its metering.

A number of meters had to be replaced the last year. The existence of malfunctioning

Wednesday, March 26, they were in Norway for a call at the hospital then Eva visited her cousin, Helen Bailey, who was 88 that day and still so very spry.

Friday we were dinner guests of my only brother Rollie Hayes and wife at Greenwood.

Saturday our dinner guests were Laura Hutchins, Lorene Adams, and Robert Adams. Then on Sunday we were dinner guests of the Hutchins at East Andover.

Tuesday night Russell and Eva picked up Verna Swan and attended Oxford Pomona at Welchville. Stephanie and Barbara Yates called on Joe and Eva one day.

BETHEL WATER DISTRICT
Annual Report 1979

This report of activities in 1979 is prepared for the information of our customers and for the Municipal Officers of the Town of Bethel. The Bethel Water District is a Quasi-Municipality chartered by the State Legislature on March 17, 1967 and supplies water to 396 residential and commercial customers in Bethel and West Bethel. It operates as a non-profit public utility and is regulated by the Public Utilities Commission and Department of Human Services.

GOALS, OBJECTIVES AND PRIORITIES

Guiding the District's operations are four priorities or objectives, which are as follows:

1. To provide the highest quality water possible at the lowest cost to the customer consistent with health standards of the State of Maine.

2. To provide Fire Protection by ensuring that sufficient supply at adequate pressure is available to all hydrants maintained by the District.

3. To provide 24 hour service to our customers for handling emergencies such as serious disruptions, freeze-ups and loss of water. To provide, during normal working hours, customer service in connection with contract plumbers and contractors, also to assist in answering any questions which may arise concerning the supply of potable water to our customers.

4. To operate the Bethel Water District in a financially responsible manner according to the Maine Public Utilities Commission and those financial institutions which provide long term and operating capital to the District.

1979 ACTIVITIES FOR ACHIEVING OBJECTIVES

After experiencing extensive and costly problems with freeze-ups during February 1979, which disrupted customer service, the District implemented an anti-freeze-up program for the coldest period of operations in 1980. This program consisted of identifying potential freeze-ups and installing continuous minimum flow devices or allowing the customer to run water. We were able to monitor water and ground temperatures this year which gave us an added advantage in controlling potential freeze-ups. These readings have been published on a weekly basis in the Citizen for the general public information. The increased circulation of water, especially on dead end streets, has worked very well and as an added benefit, affords a fresher water to our customers.

Water quality measures which have been carried out during the year include the following:

Chlorine dosage has been carefully controlled to prevent the "Chlorine taste and odor" problems of the past. Along with this step, the water flow is monitored so that every possibility of reducing discoloration can be taken advantage of—such steps are difficult, however, because of the character of the Chapman Brook water shed.

The reservoir has been cleaned of debris. This will be done annually or as needed. In conjunction with this, the primary screens are checked and cleaned regularly.

During this year, we resumed fluoridation to the Bethel Village System. This was accomplished through the efforts of Robert Saunders who designed and constructed the necessary instruments to meet State acceptance.

Water District personnel continue to attend education seminars on water regulations and methods in order to stay abreast of State requirements and new techniques. We now have two licensed employees, as well as a licensed trustee.

Fire protection activities saw the replacement of the hydrant at the head of Main and Church Streets. Furthermore, the District has budgeted for annual replacement of two of the oldest hydrants so that inefficient ones can be phased out. Our hydrant maintenance program includes twice a year flushing, snow removal, painting and inspection.

FINANCIAL SITUATION

A significant rate increase (70%) was required during the past year in order for the District to continue operations. At the beginning of 1979, the operating deficit was \$22,137.54 and by the end of the year, the operating deficit had increased another \$17,374.88. The District had to borrow \$37,000. In long term loan from the Casco Bank. Thus, at the beginning of 1980, the District's long term debt is up to \$256,000, which must be paid off at a rate of \$21,201.78 per year. Besides long term loans, the District has borrowed \$17,500 from the Bethel Savings Bank. This amount was required to pay for operating and maintenance expenses which could not be paid from income obtained from customer billings. Yet, with this past year's rate increase, lowered operating costs and an economical program of preventive maintenance plus very modest replacement of capital equipment (mostly water mains and gates) the coming year is projected to show a balanced budget with no deficit.

IS AN INDEPENDENT WATER DISTRICT FEASIBLE?

The Trustees have continued this year to operate the District on the assumption that the most practical course to follow is to first achieve and then to maintain a financially healthy, separate water district for the Town of Bethel. There are two principal reasons for this conclusion:

This District is required to finance capital replacements by long term borrowing (up to 40 year loans) but our financial situation in early 1979 was so critical that no bank would lend additional money to the District. Therefore, a rate increase was an absolute necessity for operations to continue. But, if the Town of Bethel should, as a contingency measure, be required to take over the District's operations and debt, the additional debt in municipal accounts would in effect lower the town's ability to borrow money for other municipal needs.

From the consumer point of view as expressed by the state's regulatory agencies responsible for these matters, a separate water district has definite advantages to one which is operated as part of a town governmental operation. When lumped into all other requirements facing town officials, the priority given to water district operations may not be sufficiently high to provide the qualified personnel, dedicated and well maintained equipment and capital planning that is required to produce dependable, healthy supplies of water. Therefore, a separate water district, one which has a primary focus of providing good drinking water, can if adequately managed and supported save money for taxpayers and consumers in the long run.

MEASURES TO REDUCE FINANCIAL LOSS

The District has challenged the legality of the Town of Newry to tax the real estate owned by the District in Newry, which is watershed land connected by Chapman Brook to the District reservoir in Bethel. This case should have been resolved at the time the Maine Legislature created the Bethel Water District in 1967 from the former private corporation. The Trustees believe that relief from taxes is one step toward achieving a low annual operating and maintenance budget and that this question should not continue unresolved.

Meters are the means used to determine how much water each customer uses and should therefore be billed for. Two situations involving meters have caused a loss of revenue to the District. For years, the water district has borne the entire cost of installing, reading and maintaining meters which not only show how much water is used but the data is also used to compute sewer charges. In a manner consistent with PUC guidelines, a fair share division of water-sewer meter expenses has been made so that the water district can recover from the sewer department incomes that portion due the District for services provided from its metering system.

A number of meters had to be replaced or repaired during the last year. The existence of malfunctioning meters causes a

loss of otherwise properly collectable revenue and shifts the load from customers with these meters to all customers in the District. Some meters have been out of order for years and were replaced in 1979.

MEASURES TO PROTECT WATER SUPPLIES

Two special valves were installed on each side of the Androscoggin River so that in the event something broke the water main which runs under the river, remaining water in the system could be immediately captured without having to dig in snow or frozen ground. With the valves in place, there exists the possibility of running a temporary by-pass water service over the Androscoggin River Bridge, thus reconnecting Bethel customers with the Chapman Brook supply.

During this year, the District's office on Philbrook Street has been renovated so that proper testing equipment can be maintained. Along with the need to daily test water quality and health standards, having a certified technician available is also a requirement. Prior to deciding to rehabilitate the Philbrook Street building for office and storage space, the Trustees examined various rental options and found all to be more expensive than improvement costs to the existing building which the District already owned. Also, a factor in this consideration was that much of the work could be and was done by District personnel as their work load permitted and without any overtime payment.

PUBLIC PARTICIPATION IN DISTRICT PLANNING

The Town of Bethel appoints the three trustees who are then responsible for operating the Bethel Water District. Trustees must plan for the future in a way which reflects the changing needs of the community and the old age of much of the current water distribution system. Therefore, customer/public participation in the water district's annual meeting and regular monthly meetings is essential for all planning by the trustees. On the other hand, plans for any future expansion must consider how such an expense will impact on current customers. The trustees believe that any expansion must be of such a nature that projected customer use and revenues from these additional customers will pay for the long term expansion so that old customers are not required to subsidize new users at an unfair rate.

The Bethel Water District's Annual Meeting of the Board of Trustees will be held on April 8, 1980 at 7:00 P. M. at the Bethel Savings Bank. Please attend and participate in the growth of your Water District.

BICKFORD ANNOUNCES CANDIDACY FOR SHERIFF

William G. Bickford of Norway has announced his intention to seek the office of sheriff of Oxford County on the Republican ticket. Bickford is a 20 year veteran of the Maine State Police, having retired in May of 1977 at the rank of Detective Corporal. His experience encompasses a wide range of police work and schooling such as: Narcotics Investigation, NESPAC, Foster, R. I.; Homocide Investigation, Francis Glessner Lee Seminar, Baltimore, Md.; Crime Scene Search, Maine Criminal Justice Academy, Augusta; FBI Photography School, Maine Criminal Justice Academy, Augusta; Forensic Medicine Seminar, Colby College.

In announcing his candidacy, Bickford will be trying for the second time, having lost in 1978 to current sheriff Alton Howe. Bickford feels that changes must be instituted for a more efficient administration, one that will give Oxford County's taxpayers full benefit of their tax dollars. Citing his background in law enforcement Bickford feels, he can offer the people of Oxford County a great deal of experience. Having lived in the Norway-Paris area and worked out of Oxford County for the last 21 years he has been able to observe and work with many different administrations of the Sheriff's Department and feels that the ideas he has for the department are steps in a positive direction for the department.

William Bickford is a life long resident of Oxford County, graduating from Norway High School in the class of 1951. Following graduation he served three years in the U. S. Army, returning home to join the Maine State Police. Bickford is married and the father of five children.

LATE ROYDON BILLINGS HONORED BY FORMER SCHOOL AT OLD TOWN

Mrs. Kathleen Billings of Bryant Pond has recently received notice of a special award bestowed upon her late husband, Roydon H. Billings. Following is a portion of a letter from Bryce Grindle, principal of Joseph A. Leonard Junior High School, Old Town. Mr. Billings was past principal, teacher and coach at the school.

"To serve as a permanent remembrance of Mr. Billings as a very special person, we have named our Athletic Achievement Award in his honor. From this time on, the award, given annually to an outstanding student athlete in each sport, will be known as the 'Roydon H. Billings Athletic Achievement Award'. A plaque has been placed on the wall outside the office suite. It reads: 'ROYDON H. BILLINGS In memory of an able educator, coach and principal. "Bill" was a man with strong educational convictions that were carried out firmly and consistently. His influence lives on in those who were guided by his steady hand over a thirty-one year career in Old Town, 1940-1971."

second place were last year's winners Tim Carter and Sonny Hastings with a time of 52:39—not bad considering that Carter stopped three times to go swimming. Former ski touring director Steve Rhodes and his partner, Bruce Bates of Auburn, were third with a time of 53:35. Other competitors in order of finish were Leslie Bancroft and Jim Newman (57:00), John Gasser and Jim Hudson (58:07), Alan Korhonen and Andy Chase (60:34), David Coleman and Steve Wright (60:38), Julie Green and Lee Rand (61:18), Jeff and Paddle Parsons (61:54), Dennis Doyon and Joan Donato (62:06), Kara Flynn and Pam Lyngholm (62:43), Jeff Hastings and Tony Butters (66:23), Lawrence Smith and Jon Owen (66:57), Jody Carter and Jane Chandler (75:14), Ken Smith and Wayne Gersen (80:14), and Sandy and Norma Carlisle (103:44).

Mr. and Mrs. Arthur Coffin

FETED ON FIFTIETH WEDDING ANNIVERSARY

Mr. and Mrs. Arthur Coffin, Bryant Pond, were feted on their golden wedding anniversary, March 30 at the Bryant Pond Town Hall with "open house" with 120 guests greeting them. All of their children, many grandchildren and great grandchildren were present, also Mrs. Coffin's mother, Mrs. Emma Everett, 93 years young, of Mechanic Falls.

Patti Harlow made the lovely anniversary cake which served as a centerpiece. Lavinia Jessie Bean and Kimberly Bean, granddaughters, circulated the guest book. They also helped their aunt, Eveline Barrett, with the gifts and money tree. Laska Swan, granddaughter, cut and served the wedding cake. Wendy Chase, another granddaughter tended the punch bowl.

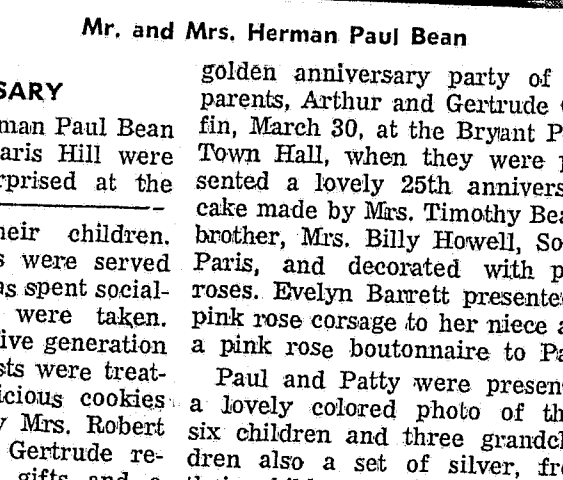

The honor guests were presented a yellow rose corsage and

HONORED ON SILVER ANNIVERSARY

Mr. and Mrs. Herman Paul Bean (Patty Coffin) of Paris Hill were very pleasantly surprised at the

boutonniere by their children. Dainty refreshments were served and the afternoon was spent socially. Many pictures were taken. There were several five generation groups present. Guests were treated to the most delicious cookies ever eaten, made by Mrs. Robert Coffin. Arthur and Gertrude received many cards, gifts and a money tree. Their true anniversary date is April 1.

Mr. and Mrs. Coffin have spent their entire married life in Woodstock. Arthur's three sisters, Alice Goff, Eveline Barrett, Doris Lawrence and brother James, were present also her sisters, Mildred Richardson, Sylvia Goddard and brother, Edgar Everett, were present.

golden anniversary party of her parents, Arthur and Gertrude Coffin, March 30, at the Bryant Pond Town Hall, when they were presented a lovely 25th anniversary cake made by Mrs. Timothy Bean's brother, Mrs. Billy Howell, South Paris, and decorated with pink roses. Evelyn Barrett presented a pink rose corsage to her niece and a pink rose boutonniere to Paul. Paul and Patty were presented a lovely colored photo of their six children and three grandchildren also a set of silver, from their children, other gifts, cards and money tree. Their daughters, Lavinia, Jessie and Kimberly, circulated the guest book and helped their aunt, Eveline Barrett with the gifts and money tree. Mrs. Timothy Bean cut and served the lovely cake and Wendy Chase dipped the punch. Their anniversary date is April 15.

Everyone had a pleasant afternoon and a most delicious lunch.

STATE SEN. SUTTON SEEKING RE-ELECTION IN DISTRICT FIVE

Roland L. Sutton

State Senator Roland L. Sutton (R), South Paris, has announced his intentions to seek reelection from District 5. This district includes towns in southern Oxford County and the towns of Bridgton and Harrison in Cumberland County. In all, 26 towns are included in the district.

Sutton, in his first term in the Senate, has chaired the Joint Select Committee on Labor and serves on the Joint Standing Committee on State Government. He recently represented Maine at a White House Conference on Small Business and on Feb. 7 was appointed by Gov. Brennan to a Special Governor's Advisory Committee on Small Business.

Senator Sutton is a co-owner of Maine Machine Products Company of South Paris and brought to his campaign extensive experience and participation in local civic, municipal and church affairs. He has also held offices in a variety of state and New England small business groups.

Sutton is a graduate of Michigan State University with a degree in mechanical engineering. He served in the Korean War as an officer in the Army Ordnance Corps.

In 1955, Sutton and Henry W. Defert founded Maine Machine Products in South Paris. The company's outstanding growth over the past 24 years has been hailed by state officials as an example to be duplicated by other companies launching in Maine. The Company presently employs 70 workers.

Sutton and Defert were co-winners of the Small Business Admin-

EXTENSION SERVICE OFFERING GARDENING SERIES

AT ANDOVER, APRIL 8 & 15
Oxford County Extension Service and S. A. D. #44 Adult Education Department are cooperating to offer a Home Vegetable Gardening series. The series will consist of two workshops on consecutive Tuesday evenings, April 8 and April 15, 7-9 p. m. at the Andover Elementary School.

Part one of the series will cover the basic vegetable gardening techniques, including vegetable varieties, starting seedlings, vegetable insects and disease control, and natural gardening.

Part two is designed for the gardener who has a basic knowledge of home gardening. It is a natural follow-up to part one.

There is no charge for the series and everyone is invited to come. Home gardening bulletins will be available.

Illustration's Small Business of the Year Award in 1968. Sutton was also named Maine's Small Business Advocate of the Year in 1976.

State Senate President Joseph Sewall assigned Sutton to the Labor Committee to counter what Sewall felt had been a lack of input from small businessmen on labor issues.

Maine Machine Products was singled out in a 1977 Maine Sunday Telegram story as one of the best managed small businesses in the state. The company funds one to three full scholarships each year at Central Maine Vocational Technical Institute in Auburn and provides fully-paid-on-the-job training to students named to the scholarships.

Sutton has been active in local, regional and national affairs, serving as a director and member of the executive committee of the National Association of Congregational Churches, a trustee of Stephens Memorial Hospital in Norway, and a director of the Norway National Bank. He has frequently served as moderator of the South Paris meetings and is a member of the Paris Board of Appeals.

Sutton is married to the former Margaret (Nancy) Barth and they have four children, Meg, 24; Jeff, 23; David, 20; and Teddy, 15.

WALKING WITH JESUS CHRIST
A Glorious Time is Easter!
God's children experience a new surge of His almighty power—fresh energy flows to fill our hearts—even as the promise of springtime—a special touch of God's hand is upon us—twinkling stars reflect a heavenly light as budding trees clap their hands—even as St. John saw a pure river of water of life, clear as crystal, proceeding out of the throne of God and of the Lamb. Rev. 22:1.

SECOND SESSION OF COMMUNICATIONS WITH TEENAGERS TO START APRIL 9

The S. A. D. #44 Adult and
Community Education program
will offer a second session of the
course in Communication with
Teenagers, starting Wednesday,
April 9. This course, instructed
by Carlene Trotter of Bryant
Pond, was planned with the en-
couragement of the Telstar Guid-
ance Department, the Title I Home-
School Coordinator, and concern-
ed parents, and will run for a six-
week session. Through a series of
small-group discussions, supple-
mented by readings, course partic-
ipants become familiar with com-
munication techniques which are
helpful in their family situations.
Although the course focuses on
problems common to most parents
of teenagers, the plan is flexible
and able to adapt to the special
concerns of the participants. To
register, call the Adult and Com-
munity Education Office, 824-2136,
ext. 25.

INDIAN RAID BICENTENNIAL MEETING HELD MARCH 26

continued from Page One
demonstrations, Indian dances,
canoe races, baseball games, a
horse show, fireworks, street dan-
ces and various games to name a
few. Concern was expressed as to
what values this celebration should
concern itself and also the neces-
sity to be unique so as to avoid
being in competition with other
Bethel activities.

Those attending the meeting
were Carol Mason, Jody Shimmam-
ra, Ronald Snyder, Alden Kennet,
Rodney Howe, Geraldine Howe,
Steve Wight, Ernest Perkins, Dale
Thurston, Melinda Mason, Donald
Bennett, Marlene Marshall, Carolyn
Campbell, Bruce Bailey, and Stan
Howe. Among those expressing in-
terest in attending were Randall
Bennett, Gordon Gillies,
Merton Brown and Barbara D.
Brown.

A unique experience awaits the
concert audience on Tuesday, Ap-
ril 8 at 8 p.m., it has been an-
nounced by Rumford Community
Concert Association. Keith and
Rusty McNeil, folk music perform-
ers will present "A Celebration of
American Heritage in Folksong" at
Rumford High School's Muskie
Auditorium. In addition to singing
folk songs and ballads, the Mc-
Neils will present traditional folk
music playing over 30 folk instru-
ments.

Their areas of expertise include
folk music from Colonial America,
the American Revolution, The War
between the States, the late 19th
century, the turn of the century,
the "Roaring Twenties", the Great
Depression and the contemporary
period. In addition to the scores of
folksongs inherited from genera-
tions of their own family tradi-
tion, the McNeils have carefully
researched the folk music of the
many immigrant groups which en-
riches the American cultural "Sal-
ad Bowl", the songs which reflect
America's major social movements
during the past 200 years and
America's religious history through
folksong.

For the past 10 years, Keith
and Rusty have been bringing
America's rich historical and cul-
tural heritage to life through
folk music with recordings, tele-
vision appearances and more than
2,000 concerts across the United
States.

Between concert tours,
they teach university graduate level
courses on American History
through folksong and continue their
historical research.

A graduate of Stanford Univer-
sity, Keith worked as an adminis-
trator for the Pacific Telephone
Company for 15 years until steady
increasing demands for public
performances required them to de-
vote full time to pioneer this fresh
approach to folk music and history.
The McNeils have five children,
ranging in age from nine to 25,
who often join them on their
tours. The family's home is in
Riverside, Calif.

As a gift to area residents, the
Community Concert Association is
inviting non-members to attend

EASTER BASKET AWARDED
SATURDAY—Miss Karen Brown
(left) of Bethel, Representative to
the Maine Legislature, had the
honor of drawing the winning ticket
for the well-stocked Easter
basket, sponsored by the Gilead
Women's Club, as a fund-raising
project. With Karen, at Ferron's
Country Store where the basket
had been displayed, is Mrs. Linsley
Chapman, secretary-treasurer
of the Club. Winner of the Easter
basket was Bruce Parker of Lew-
iston. Funds earned by the Women's
Club are used for recreational
activities for the children of
Gilead.

Upton

— Mrs. Arline Bernier, Corres. —

Mr. and Mrs. William Kelly of Berlin, N. H., celebrated their 60th anniversary Jan. 5 at Berlin with a party of friends and relatives including five generations.

They were married at St. Gilles, Province of Quebec, in 1920. This year they renewed their vows with two great-grandchildren, Richard Bernier and Christine Lagesse as witnesses. The ring-bearer, Charlie Lavallee is also a great-grandchild and another one, Nancy Kelly, took charge of entertainment.

The Kellys had five children including Simmone Lavallee of Upton. Her son, Roger of Colebrook, Roger's daughter, Donna, of Norfolk, Va., and Donna's son, Allen, made up the five generations.

Seventy people were present for the festivities from Auburn, Mass., Manchester, Colebrook, and Groveton, N. H., Lewiston and Upton, Maine, and Norfolk, Va. They received calls from Texas, Florida, Pennsylvania, Quebec City and St. Gilles. They received many cards, a memory book and other gifts.

Elsie Douglass has moved back to her home in Upton.

March went out like a lamb the weather being very warm and sunny. March 1 was cold and windy.

COURSE IN CONTEMPORARY ARCHITECTURE OF WESTERN MAINE TO START APRIL 10

The S. A. D. #44 Adult and Community Education program will offer a spring class in the Contemporary Architecture of Western Maine, taught by George Allen. The class will be held on Thursday evenings at the Bethel Library from 7-9, starting April 10 for six weeks. Allen, who taught a S. A. D. #44 Adult and Community Education course in Architecture of earlier periods last fall, is the coordinator of the Oxford County Historic Survey. The course will focus on architecture representative of the modern era, and include homes, as well as institutional and commercial buildings. Field trips are planned. To register, call the Adult and Community Education office, 824-2136, ext. 25.

S. A. D. #44 ADULT ED. BIRDS CLASS SET FOR APRIL

The S. A. D. #44 Adult and Community Education program will offer a unique opportunity for the novice as well as the experienced birdwatcher to increase their enjoyment of bird study through the Birds course during April instructed by Don Feeney of Bethel.

The course will involve four Tuesday evening sessions, April 8, 15, 22 and 29, as well as two week end field trips. On April 19, the class will visit the Fairbanks Museum of Natural History in St. Johnsbury, Vt., and on April 27, visit the Scarborough Marsh under the auspices of the Maine Audubon Society. The evening classes will be held at Gould Academy from 7-9. To register, call the Adult and Community Education office, 824-2136, ext. 25.

The field trips may be taken by those interested who are unable to enroll in the course.

CARD OF THANKS

I wish to thank my neighbors, friends, and relatives for the cards, visits and telephone calls while I was in the Stephens Memorial Hospital. Also to everyone who has visited me and sent in food since I have come home. Also thank my husband, Frank, who has been so patient with me. Even though I am coming along good, have never been so slow in recovering.

OBSERVE 60TH ANNIVERSARY

— Mr. and Mrs. William Kelly (seated center) of Berlin, N. H., recently observed their 60th wedding anniversary and posed for this five generation photo. Standing, between the couple is their daughter, Simmone Lavallee; in front, their grandson, Roger Lavallee and his daughter, Donna Davenport, with great great grandson Allen, between Mr. and Mrs. Kelly.

so this year the old saying happened to be correct.

The Santos are making an extended stay at their place on Back Street.

TELSTAR SENIOR PROFILES

Louise Ellen Haines will attend Westbrook College, Portland, next fall. There she will study in their Medical Assistant curriculum.

She received admission to Thomas College, Waterville, through their Early Acceptance Program in November, but has since then decided to further her studies at Westbrook.

Louise has been manager of the field hockey team, is a member of the Spanish Club, and ranks in the top five of her class. She lives in West Bethel with her parents, Gilbert and Juanita Haines.

Cameron Taylor will study Electrical Engineering at the University of Maine at Orono next fall.

Cam is one of Telstar's top five seniors. Although he has been with us only a few years, he has accomplished much at Telstar. He is a member of the basketball, track, soccer, and ski teams while also being involved in dramatics.

Cam is the son of Lawrence and Wilma Holmes of Andover.

Northwest Bethel

— Clarice Gibson, Corres. —

Our first week end of spring was foggy, drizzly and overcast. This has really taken off the snow and brought the mud. Every spring the sand and dirt sticks to ones shoes and, if one doesn't take off their boots or shoes, is tracked all over the house. Seeing I am not supposed to sweep for six weeks, Frank or George go through the house after they come home from work. When we went to bed Friday night the river was still covered and some time during the night or early Saturday morning it opened up. Now, the river in front of the house is all opened up.

George went down Saturday night to Mr. and Mrs. Homer Smith Jr.'s, as his friend, Doug Smith of Cape Cod, was visiting his parents for the week end.

The Daniel Hannon family have started their tomato, pepper, cauliflower and broccoli plants.

Saturday Mr. and Mrs. Daniel Hannon and girls, went to Berlin, N. H., to visit Mr. and Mrs. Rusty Ross and family. The two families went to the Yokohama Restaurant in Gorham.

Tuesday, the 25th, Edith Smith and Barbara Gallant went to Lewiston to visit Dr. Goodwin, the eye doctor, and had their dinner.

Yes, the 20th Frankie, Grace, Tinker and Karen, took me to Norway and left me with the folks, Mr. and Mrs. George Allen, and took Wilfred to Portland Jetport where he left for Los Angeles, Calif. From there he left for Okinawa. Dad took me down later and left me at the hospital. I was operated on the next day which was our oldest son's birthday. Helen Trimback Smith was down the hall a few doors from me. She and I first knew each other when we went to school together in East Stoneham. Saturday, Gerry Shimamura and Barbara MacDougall

came down to visit; also my sister and husband, Mr. and Mrs. Ben Tucker Jr., came down from Readfield, my other sister and husband, Mr. and Mrs. Don Holden, Norway and Frank and George. Tuesday, Frankie, Frank, and George went to Lewiston to pick up Willie at the bus depot and stopped in on their way home. Wednesday Dad came down to pick me up and later he and Mom brought me home. Thursday, Frankie, Grace and Tinker brought Willie and Karen up to stay. Friday, Frankie, Grace and Tinker and Esther Crockett came for an evening visit. Sunday George went to spend the week end with the folks.

Bruce, Betty, Matthew and Mike had Sunday dinner with his parents, Mr. and Mrs. Homer Smith Jr. Matthew and Mike stayed Sunday night with aunt Christine Smith.

Miss Lena Childs and Priss Childs of Marston Mills, Mass., were Friday callers of Mr. and Mrs. George Gilbert.

Ben Gordon of New York state will be visiting in April.

Sunday Mr. and Mrs. Steve Anderson and two boys went to Barre in celebration of their 12th wedding anniversary. Coming home through Albany they saw a meteorite.

The week end of March 22 and 23, Pat Anderson and boys spent at Lake Winnepesaukee, N. H., with Sandy Smith and children.

The Garden of Gethsemane

My heart's in the Garden of Gethsemane
Where Jesus once had trod
Where His sacred feet once faltered

I make my peace with God.
My soul's in the Garden of Gethsemane
I see His tortured face
I taste the bitter wine
And follow in His place.

My mind's in the Garden of Gethsemane
I see the hallowed sod
I feel His pain, His anguish
I make my peace with God.
My heart's in the heart of Jesus
My tears fall where He had once trod

I've crossed the raging sea
And make my peace with God.

Miss Amy Hanscom, Corres.

About fifty friends and neighbors gathered at the home of Mr. and Mrs. Robert Bartholomew Saturday evening to attend a party for Keith Durgin who recently lost his home by fire. Durgin was a supper guest at the Bartholomew home. Later the group gathered for a social evening. He received gifts and money. Many of Durgin's friends joined in planning the party and furnishing refreshments which were served.

Mr. and Mrs. Thomas Bartholomew have returned after a week's visit to Augusta, Ga., where they visited Mr. and Mrs. David Buck and family and Elizabeth Garneau.

The Ladies Circle will meet at the home of Mrs. Eleanor Morton April 7, at 7:30 p. m. with Eleanor and Karlene Bachelder as co-hostesses. Kathy and Nancy Hanscom will be providing the craft material to work with. Everyone is requested to bring their own scissors etc.

Easter Sunrise Services will be held at 7 a. m. Easter morning, at Mother Walker Falls in Grafton. This will be followed by breakfast at the home of Mr. and Mrs. F. Owen Wight, and services at the Newry Community Church at 9 o'clock.

Mrs. David Ferranti and son, Shane, Glastonbury, Conn., visited her grandmother, Mrs. Mary Tripp, last week.

Carol Hayner is spending Easter recess from her college in Hamden, Conn., with her father, Donald Hayner. On Friday, Donald Hayner and his daughters were in Farmington on business.

Gretchen Wight, U. of M. Orono, spent last week end with her parents, Mr. and Mrs. Willard Wight. Week end guests at the Wight home were Stephen Wight, Old Town, Mr. and Mrs. David Wight, Dover-Foxcroft.

Thomas and Scott Wight, Bowdoin College, Brunswick, are spending Easter Vacation with their parents, Mr. and Mrs. F. Owen Wight.

North Paris

Eveline Barrett, Corres.

I didn't have any of Eva Yates' pancakes and catsup but I do have a slice of toast with cottage cheese and catsup every morning. Try it, it's delicious. For me, anything that has catsup on it is delicious, even crackers.

Joe Barrett observed his 83rd birthday March 28 and treated the patients in his wing to a slice of his chocolate birthday cake. Several were diabetic so they didn't eat frosting.

Callers at Lawrence's, Vance and Rena Bacon, Lloyd Huntley, Corey Bonney, Patty Bean, Eveline Barrett.

To our friends and relatives away, Mrs. Linwood Birney will enter Stephens Memorial Hospital, March 31, for surgery. Doris Lawrence called on her Saturday at her home.

Mr. and Mrs. Elmer Taylor and son, Kenneth, called on Mrs. Eveline Barrett, one evening last week. Clyde Knights and Arthur Coffin, Pinhook, also called.

The schoolchildren had a one day vacation March 28, teachers workshop.

Eveline Barrett, Mr. and Mrs. "Root" Lawrence, Jeff and Jim Coffin, Mr. and Mrs. James Coffin, attended the golden wedding anniversary party of their brother.

CARD OF THANKS

I would like to thank all the neighbors, friends and relatives for clothing, food, money and household goods given me after losing my home by fire. Special thanks to Ruth, John and Bobo, Brenda and Bobby Bartholomew, and Bradley Wight. Thanks to those who helped clean up after the fire, and for the loan of equipment by Stan Roberts and Roger Wheeler. It all is greatly appreciated.

Greenwood City

Mrs. Colista Morgan, Corres.

It isn't quite time to celebrate spring but what is more promising than to awake early morning and hear the purple finches in the tree tops. They pour out their gushing, ecstatic warble; tumbling down in showers of bright, musical sounds. This bird is one of my favorites.

The weather this morning made a feeble attempt at clearing. By afternoon it was good enough to take a walk. I set out to go where the "pussies" grow. My first real jaunt since my fall.

The air was laden with the smell of spring, always present in the open country at this time. There were earthy smells, smells of leaf mold and of rotting twigs in woods, a rich damp odor full of wet tremulous perfume. Then there was the smell of moss and of clean, silty odors of moving waters.

When I came to the swampy, boggy land there was a tinge of rankness but life everywhere, that changed with almost every step.

My footfalls, when I left the road, were silent on the yielding forest and meadow mold.

I found a few pussy willows, but not as many as usually grow here.

From out of the bushes at the end of the pond came the call of the soldier of the marshland, the red winged blackbird. He flipped his tail and visited by the brook for some time occasionally "showing off" while clinging to a cat-tail. He has timed his return to the season not to the weather.

The stream flowing under Turtle Bridge was clear and rushed along brightly, capturing a few of the clouds.

All along the way the earth was emerging from snow. The waters under the earth and upon it were unsealing, flowing from the new green moss down the hillsides, off ledges, and gathering in pools because of blocked culverts and frozen ditches.

I heard in a distance a tinkle of tiny cascades falling with incessant flow into a pool with loud and musical splashing, a new born and unfamiliar brook.

Coming home with my treasures I stopped by the ledges. The ob-

FRANK E. HANSCOM JR.

Frank E. Hanscom Jr., of South Portland, died Wednesday, April 2, 1980, at a Portland hospital.

He was born at Bethel, Nov. 15, 1902, the son of Dr. Frank E. and Ella Davis Hanscom. He was educated in Bethel schools and was a 1922 graduate of Gould Academy and of the General Electric School in Lynn, Mass., in 1925. He held electrical engineering positions in the mid-west, served in the U. S. Navy in World War II and worked for the Chapman Electric Neutralizer Co. of Portland until his retirement in 1969. He designed new models of static eliminators and had several patents in his name. He was a member and former deacon of the First Congregational Church, South Portland; a life member of the Bethel Historical Society; and a member of the Hayloft Art Society. His paintings have been exhibited both in Portland and Boston. He was creative in other art forms as well as in painting.

He is survived by his widow, Mildred Conant Hanscom of South Portland; a daughter, Mrs. John Barton of Houlton; a son, Frank E. Hanscom III of Short Hills, N. J.; two grandchildren; three sisters, Mrs. Carroll P. Bailey of Lewiston, Mrs. D. Norvin Humphrey and Mrs. Robert H. Jones, both of Portland; and a brother, Robert D. Hanscom of Venice, Fla.

Funeral services will be held Friday at Hobbs funeral home, South Portland, with interment at Riverside Cemetery, Bethel at a later date. Contributions may be made in his memory to the American Cancer Society.

Locke Mills

Mrs. John Mills, Corres.

The Community Club will meet at the Town Hall on Tuesday, April 8, at 7:30 p. m. In case of a big storm the meeting will be held May 13.

Reminder: There will be a Maundy Thursday service tonight, April 3, at the Locke Mills Union Church at 7:30 p. m. Easter Service will be at 9 a. m. Sunday. Sunday School at 10:30 a. m.

There will be a Good Friday service at 7 p. m. at the Gospel Center in Bethel.

The Greenwood Fire Dept. Auxiliary will meet on April 7 at 6:30 p. m. at the fire station. After the regular meeting a coupon swapping session will take place. Anyone may take part by simply being present at this time. Bring along any coupons you have that you do not use and they will be placed in the organized coupon envelopes. Then help yourself to any coupons in the envelopes that you could use. Another feature of this session is "special offers." If you are saving box tops, wrappers, etc. for a special manufacturer's offer others may be able to help you. The over-all idea is to pull together to save on those high grocery bills. Start clipping now and spend a worthwhile evening swapping.

The Recreation Committee of Locke Mills is seeking interested citizens to fill several vacancies. If you are interested in serving please contact Gary Fuller at 875-2462.

Mr. and Mrs. Arthur Ring of Freeport were Saturday callers at the home of Mr. and Mrs. Daniel Cole.

Mr. and Mrs. John Mills and Mr. and Mrs. John Smith were in Norway Sunday afternoon where they visited "Pod" Harthorne, Agnes Chase and Diane White at the Stephens Memorial Hospital. They also visited Mr. and Mrs. Donald Mills at their home on Alpine Street.

Mr. and Mrs. Norwood Ford spent Monday visiting Mr. and Mrs. Edward Chase at their home on Howe Hill. Dora says they enjoyed the visit very much.

Mrs. Ruth Dunham and Mrs. Erland Scribner were Sunday visitors at the home of Mr. and Mrs. Lester Cole.

Dana Melville has returned home after undergoing an appendectomy at Augusta General Hospital last week. He will be unable to return to work for about a month.

Mr. and Mrs. Irving Cole visited his brother and family, Mr. and Mrs. Elwin Cole at West Peru, recently.

Mr. and Mrs. Merle Lurvey accompanied Mrs. Beverly Melville to Augusta Friday where they visited Dana Melville following his surgery.

Mrs. Verna Swan was a recent caller at the home of Mr. and Mrs. Lester Cole.

The town offers its sincerest sympathy to Richard Roy on the loss of his mother.

Mrs. Dana Melville, Gardiner, was honored at a baby shower Sunday at the home of her parents-in-law, Mr. and Mrs. Richard Melville. Mrs. Betty Lurvey of Gorham made the cake. Mrs. Nancy Snyder of Hiram, was the hostess. The Cub Scout Pack held its monthly Pack Meeting March 27 at the Legion Hall.

NOVA BUDGET HEARING
MONDAY, APRIL 11 AT
TELSTAR REGIONAL H. S.

The Northern Oxford Vocational Area (NOVA) has planned a public budget hearing for area residents to be held Monday, April 11, at 7 p. m. in the lecture hall at Telstar Regional High School. NOVA representatives will present a detailed format of the 1980-81 budget. Also included will be a slide presentation of some of the programs and a question and answer period. All interested persons are urged to attend.

JACKIE GAMMON a 1976 graduate of Telstar Regional High School will be entering her final season as the starting catcher on Indiana State's softball team. She recently has been named captain of the team, which hopes to better their fifth place finish at the mid-west regional competition.

Jackie was the first athlete from Telstar to receive an athletic scholarship for her talents. In 1978 she was awarded the Most Improved Player Award and The Athlete of the Year award, both of which were in softball. In 1979 she battled a shoulder injury to help her team to the regional competition. This year Jackie is battling the same shoulder injury, but is coming back from a knee injury which was put in a cast this fall. All in all, Jackie is the leader of the Indiana State team and is an unselfish team player. Her success has sent many teams to try and lure her to play for them this upcoming summer season. Telstar produced an excellent athlete and leader in Jackie and her school and community should be proud of her accomplishments.

DRAMA CLASS AT GOULD
Left to right: Veronique Poisson,
Tours, France; Sarah Duenden,
Cornwell, N. Y.; and Tony Morris,
Denmark, Maine.

One of the classes offered at Gould Academy is Drama, fundamentally an introduction or orientation to theatre. Mrs. Carol Fiske, teacher of the course and director of Gould's year-long series of plays and musicals, has designed the class to teach the basics that aspiring actors or just curious students should know about the stage, and how it is used to "mirror" many aspects of life.

During the winter term, Mrs. Fiske had the class use cardboard bird masks to introduce the techniques she wanted the class to learn. The group began by performing sections of Aristophanes' "The Birds," which everyone agreed was an appropriate illustration of how the mask can be used as a means to focus the wearer's concentration, since peripheral vision is cut off. This forces the students to turn their heads in the direction they are speaking, thus producing the desired artistic effect. The transition was then made from Greek to Italian Renaissance and "Comedia Del Arte."

Now, with the beginning of the spring term, Mrs. Fiske plans to tie everything together by giving the students a taste of what life was like during the Elizabethan era. This will include music, masques (lavish festivals) and dances of the time.

Carol Fiske is a graduate of Skidmore College, Saratoga, N. Y., and has taught at Gould for the past six years. Together with husband, Frank, who teaches instrumental music at Gould, the Fiskes have produced and directed numerous plays, including, "You're a Good Man Charlie Brown," and "A Funny Thing Happened on the Way to the Forum," also "Mame," "The Crucible," and "The Little Prince." She states that the Drama class and extra-curricular productions serve as a valuable alternative to Gould's athletic programs, and appeal to many students who want to try their hand at performing for others.

ROYDON H. BILLINGS

Roydon H. Billings died Thursday morning, March 13, 1980, at a West Paris nursing home after a long illness.

He was born at Bryant Pond, Dec. 3, 1904, the son of Herman and Bessie Bryant Billings. He graduated from Woodstock High School and Farmington State Normal School, receiving his bachelor's and master's degrees in education from the University of Maine at Orono.

Mr. Billings was teacher and principal at Milford Elementary School for 10 years and served in the same capacity at Old Town Junior High School for 31 years, retiring in June of 1971.

He was a member of the Maine Teachers Association, the Oxford County Chapter of Retired Teachers, the American Association of Retired Persons, and was past president of the Old Town Senior Citizens. He was a 50-year member and life member of Jefferson Lodge, AF & AM, Bryant Pond, a life member of Old Town Chapter, both of Bangor, and a former member of the Old Town Shrine Club. Interested in the history of Bryant Pond and the town of Woodstock, Mr. Billings compiled much valuable information for the recent bicentennial.

Surviving are his wife, Kathleen Costigan Billings; and two sisters, Mrs. Donald O. (Dorothea) Hooper and Mrs. LaForest G. (Eva) Twitchell, all of Bryant Pond.

Services were held Saturday, March 15, at the I. W. Andrews and Son funeral home, South Woodstock. The Rev. Joseph Parnham and the Rev. Linwood Hanson officiated. Entombment was at the Lakeside Cemetery, Bryant Pond, where burial will take place in the spring. Bearers were Russell McAllister, Elden Hathaway, Harold Tyler, Richard Felt, Eldon Bartlett, and James Keene. Honorary bearers were: Homer Farnum, E. Lee Mills, Charles Clifford and Everett Cole.

Bethel Historical Society
Fire Department at April

The history of the Bethel Fire Department was the featured subject at the monthly meeting of the Bethel Historical Society Thursday evening in the meeting room of the Dr. Moses Mason House. The meeting was called to order by the Chairman of the Trustees, Margaret Joy Tibbetts who presided in the absence of the president and vice president. A record attendance was set with over one hundred persons present. Over 30 members of the Bethel fire department were also in attendance. During the business portion of the meeting, attention was called to the fact that the society is making steady progress on reaching its goal of 400 members by 1981 with 369 on the rolls to date. George Allen of the Oxford County Historic Resource Survey, sponsored by the Maine Historic Preservation Society, was the guest speaker. He presented a sign for the Bethel Fire Department and a sign for the Bethel Historical Society. Prior to the presentation, he was held by D. L. Elder and presented to the society.
